dermaplaning

Dermaplaning is a manual form of exfoliation, using a small blade to scrape away dead skin cells to reveal the fresh, brighter skin beneath. It is a simple and safe procedure for exfoliating the epidermis and ridding the skin of fine vellous hair (peach fuzz). Dermaplaning is most often used on those with rough, dry skin, mild acne scarring, superficial hyper-pigmentation, or fine lines and wrinkles. This treatment results in a more refined, "glowing" appearance.

lymphatic facial

PRIN LYMPHATIC ENZYME THERAPY

75 minutes / \$206

A tightening treatment mask designed to work with the circulatory system. It works by applying transient pressure to the skin, to assist with activating the lymphatic system removing toxins. The circulatory system brings fresh oxygenated blood to the cells in the skin, in turn creating the plasmatic effect.

It helps to hydrolyse skin cells, increase oxygen and cellular activity, encourages new collagen, elastin formation and acts as a detox for your skin; lifting and tightening to create a more youthful, firmer and glowing appearance.

This is a go-to treatment for ageing, acne/problematic, sensitised skins, and prep for advanced therapy.

holistic facial peels

LACTIC ACID

Gentle 15% AHA effectively exfoliates to help retexture the skin and improve the appearance of signs of ageing, including fine lines, wrinkles and dark pigmented areas. This treatment provides hydrating properties to maintain moisture levels of the skin, making it a good choice for sensitive skin types too.

PASSION FLOWER

Rejuvenating Lactic and Gluconic peel is gentle and designed to peel away the superficial layers of the epidermis, as well as improve hydration. Suitable for all skin types, especially if you are suffering from mild acne, fine lines and pigmentation.

POWER TO BLOOM

Powerful antioxidant Ardra Lactobionic + Ferulic Acid + Vitamin C peel that boosts cell turnover. It is designed to target ageing skin and pigmentation and delivers hydration for gorgeous, glowing skin. This peel is very warming on the skin; be prepared for some heat!

WITH HYDRATION MASK

50 minutes / \$120

WITH COLLAGEN

90 minutes / Standard - \$205 / Deluxe - \$245

ENZYME PEEL (treatment upgrade) - \$20

Natural enzymatic peel gently softens, brightens and clears the complexion. Restores balance inside & out leaving smooth & nourished skin.

Instant brightening and pick me up treatment. For best results, an intensive course is recommended.
